25th Anniversary Silver Jubilee of Hong Kong Miniature Liquor Club

Hong Kong Miniature Liquor Club which is among hundreds of miniature clubs around the world is not the one with the longest history, however, the number of members in our club is the greatest in the world. The number of members has been more than 1400 ever since our club's establishment in 1993. Although some of the members have quit for different reasons, there are still hundreds of members stay active.

Establishing for a quarter of a century, apart from members in Hong Kong, nearly half of our members are from all around the globe! There is also a rapid rise in the number of members particularly those from China, Taiwan and Vietnam. With the help of the advanced technology and convenient communications, our club will be planning on contacting the miniature clubs in various regions to have exchange visits and enrich collections of miniature enthusiasts through allying with these miniature clubs and communicating with one another.

This gathering of the Hong Kong Miniature Liquor Club which is also the first big function in the past 25 years has been supported by the world's major distilleries. Various miniatures have been specially ordered to celebrate the 25th Anniversary Silver Jubilee of our club. Miniature enthusiasts must be anticipating these precious miniatures as each one of them is unique and exclusive for the members of our club!

We hope that participants can complement the collections of each other and swap experience to promote the liquor collection culture together. Please find the details of the event in the following:
